Brainstorm

We are considering the construction of a new office building in the city center.

10 minutes

10

10 minutes for each group to brainstorm ideas for the new office building.

3

Group ideas

Take 10 minutes for each group to brainstorm ideas for the new office building. The group should discuss the ideas and then present them to the class. The group should also discuss the ideas and then present them to the class.

10 minutes

it can be much more flexible and specific
